- * Product Design: ([download PDF](#))
- * Fashion Design: ([download PDF](#))

Spanish courses

The nearby University of Alicante (UA) offers Spanish courses for foreign students specially designed for those who want to learn the language quickly and efficiently. All levels are offered from one week long. Levels have been developed in accordance with the description offered by the Common European Reference Framework. (Beginners, Intermediate, Avanced, Higher and Proficiency). Additional courses are aimed at students who wish to improve their knowledge of Spanish within a more specific context.

The UA [International Relations Centre](#) offers a specific accommodation with the possibility of accommodation with Spanish families, accommodation in flats or in university residences for the

students within this courses.

[See more information here](#)

Accomodation

EASDA does not operate student housing of its own. Foreign students should, therefore, rent a flat and share with other students or private rooms usually available for students, according to their needs.

Health care and insurance

Emergency calls: 112

The European Health Card (EHC) is unique to the individual and certifies the right of the holder to receive the health benefits required from a medical point of view, during a temporary stay in any of the countries in the European Union, the European Economic Area and Switzerland, taking into account the nature of the benefits and the expected duration of the stay. The period of validity is indicated on the European Health Card.

Medical assistance will be received in conditions identical to those of the insured in the country of destination. In order to obtain this scheme, students should contact their own Social Security Office, to have respective form issued, before arriving in Spain.

Students coming from outside the EU or EEA should make sure before arrival that they are property insured and have health insurance in your own country that cover the basic Spanish requirement.

Carnet jove

The youth card o carnet jove is available to all young people aged under 30. The youth card is valid for one year, and can be renewed each year until the cardholder reaches the age of 30.

There is no requirement to be a student; there is no requirement to be a European citizen; you only have to be prepared for hundreds of discounts and benefits. The youth card is issued in Spain and 41 European countries. You can get advantages and discounts in shops, transports, cultural events (museum, theatre...) and other services (insurance, travel assistance, ...).

You can get the youth card in the Valencian Youth Institut (IVAJ).

The Valencian Youth Institut (IVAJ) offers accomodation and information services.
